**MASS MEDIA BUREAU'S COMMENTS ON
SUPPLEMENT TO PETITION TO MODIFY AND ENLARGE ISSUES**

1. On March 30, 1992, Lawrence N. Brandt ("Brandt") filed a Supplement to its Petition to Modify and Enlarge Issues.¹ Notwithstanding Brandt's supplement, the Mass Media Bureau opposes addition of the requested issue, and we submit the following comments.

2. Brandt seeks to supplement his earlier request for the addition of an issue to determine whether Normandy Broadcasting Corp. ("Normandy"), licensee of Stations WYLR(FM) and WWSC(AM), engaged in misrepresentation when it certified in its WYLR(FM)

¹ The Petition to Modify and Enlarge Issues was filed on February 24, 1992. The request for a misrepresentation issue contained therein was opposed by the Bureau in Comments filed on March 19, 1992.

renewal application to its compliance with § 73.3526 of the Commission's Rules. Specifically, Brandt alleges that, contrary to Normandy's certification, for six calendar quarters Normandy placed no information in its public file pertaining to issue oriented programming broadcast over WYLR(FM), and during one quarter it placed no list in the public file at all.

3. In its originally filed Motion, Brandt provided copies of Normandy's programs/issues lists from 1987 through the first quarter of 1990. In its Supplement, Brandt provides a declaration of Sherrae J. Frasier, who states that she obtained the programs/issues lists from Normandy's offices in Glens Falls, New York, on June, 22, 1990. Frasier further states that she requested, and believes she received, all of the lists that were on file during the period in question. Brandt also submits a declaration of Normandy's President, Christopher Lynch, who, according to Brandt, does not dispute the claim that the lists obtained by Frasier constituted all the lists in existence during the period in question².

4. The Bureau has learned that, contrary to Brandt's assertions, Normandy did not certify in its renewal application that it had complied with § 73.3526 of the Commission's Rules. On the contrary, Normandy indicated otherwise, and provided an

² It is unclear whether Brandt's interpretation of Lynch's declaration is accurate. In his declaration, Lynch appears to suggest, at ¶ 2, that the lists obtained by Frasier constituted only "some" of the lists maintained by Normandy.

explanation at Exhibit 4. See attached copies of the pertinent portion of Normandy's renewal application. Thus, the premise for Brandt's requested misrepresentation issue, i.e., that Normandy lied in its renewal application, is incorrect. Whatever derelictions may have existed with respect to Normandy's public file, Normandy was candid in its statement to the Commission about the subject. Accordingly, a misrepresentation issue is not warranted.

5. Based on the foregoing, the Bureau opposes the requested addition of a misrepresentation issue against Normandy.

Respectfully submitted,

EXHIBIT 4

8. We believe we have, and in good faith, have attempted, to place all appropriate documentation required by 47 C.F.R. sections 73.3526 or 73.3527 to be in our files at the appropriate times. Upon close examination, one of these reports was missing. The only logical explanation is that in preparing applications for the NAB's Crystal Awards recognizing superior public service accomplishments, (we have been one of 50 finalists nationwide for the past 3 years) we referred to this quarter and then misplaced it. Also, upon a close examination a few quarterly lists seemed to inadequately reflect our efforts. While these lists were timely filed, I drafted additions to them, and with cover letters clearly showing the dates they were completed made them part of our issues/programs lists. I have also annexed our above mentioned Crystal Award entries to our issues/program lists and I believe not only are we in compliance with 47 C.F.R. Sections 73.3526 or 73.3527, but that this file fairly reflects our services to our community of license.
